- In ELA, we are continuing our review of the kindergarten sight words/high frequency words, letters and sounds, and how to properly write capital and lowercase letters using the correct writing lines. We are continuing our new theme- "Getting to Know Us". This week we will be reading and writing about what it's like to live in the country and in the city.
- In Math, the students are engaging in subitizing within 10 activities where they recognize the quantity of objects in a set without having to count each object individually.
